

Entertains Rotary

MISS HARRIET ATKINSON
Talented Pianist

Miss Harriet Atkinson was guest artist Wednesday to bring the program for Rotarians and their guests.

A celebrated pianist and popular artist with radio fame, Miss Atkinson brought the Rotarians their best program of the year. Her music included classical and semi-classical selections. Popular numbers were also included. One of the numbers which brought great applause was her own interpretation of "Coming In On a Wing and a Prayer," a song born in war and a bombing mission over enemy lines in North Africa.

Miss Atkinson closed the program with one of her own compositions, a classic. With her for the occasion was her father, H. L. Atkinson of Maysfield.

Miss Atkinson graduated from North Texas State Teachers College at Denton in June. She is also a graduate of Yoe High School.

Her musical talents were early manifested. In her early childhood the Edison was a popular source of music in the better class homes. When she grew tall enough to get her fingers on the piano keys she began to play music she heard from Edison recordings and became quite celebrated as a pianist before she took up music at college.

Since graduation she has been at home on the Atkinson plantation at Maysfield, a beautiful country estate overlooking the valley of Little River. Cameron music lovers recall with pleasure the program she gave by Radio as guest artist at Denton and Dallas.

T. A. STOCKMAN IS BURIED WEDNESDAY

T. A. (Joe) Stockman who died Tuesday at Branchville, was buried Wednesday in the Sneed Chapel Cemetery.

Mr. Stockman was a half brother of A. H. Judkins of Branchville.

Funeral services were held at 3 p. m. Wednesday at the Judkins home in Branchville and at Sneed's Chapel, with interment in the Sneed Chapel Cemetery. The Green Funeral Home in Cameron directed arrangements.

A number of friends from Cameron attended the funeral.

WAR TEMPO IS DOWN AS JITTERS HIGHER

The tempo of the war was down to a low ebb Monday as jitters on both sides rose.

Politicians were hopeful, apparently that Little Denmark might rise up and smite Hitler while they confer. It was a question for the day whether to get Stalin into a conference is more important than attacking Germany by invading Europe from the west.

Air activity continued brisk. Germans are withdrawing from the Sea of Azov in a surprise retreat from the Russians.

The invasion which seemed so imminent days ago seemed far off as news failed to produce anything worthwhile. The American radio propagandists have found out the exact location of the Italian fleet. Why don't they tell some of the Admirals? Winston Churchill is due in Washington any day now.

Mr. and Mrs. J. B. Wilson of Rogers are the parents of baby girl, Patricia Yvonne, born August 18 at Newton Memorial Hospital. The baby weighed 7 pounds and 8 ounces. The mother was formerly Olga Biskup of Cameron.

FIRE AND TORNADO STRIKE ROCKDALE

LIEUT. W. T. CALDWELL IS MISSING IN ACTION

Lieut. Wilma T. Caldwell, of Cameron, is missing in action in the European Theatre of war since Sunday, August 22, 1943, according to a message received here Sunday.

Mr. and Mrs. Wilma T. Caldwell Sr., parents of the flyer, were advised by General Ulio, Adjutant General of the army, that their son was missing.

News dispatches covering operations over France on Sunday, August 22, said that 9 planes of the American air force were lost. It was believed here that the plane of Lieut. Caldwell, was one of the number to have been lost over German occupied France.

The possibility that Lieut. Caldwell may have been able to make an emergency landing or parachuted to safety, gave the family and friends hope. Additional advices will be received as soon as the war department can obtain information.

Lieut. Caldwell was a combat pilot, his ship a Martin B-26 Marauder, fastest bomber in the world and a very effective fighting machine. These bombers have been over German air fields in France daily for weeks in telling raids on enemy installations. They have shot down a number of enemy planes.

Lieut. Caldwell, born and reared in Cameron, was attached to a combat group stationed in the British Isles.

Lieut. Caldwell volunteered for service, entering the Air Corps in September 1940. He went to Chanute Field in Illinois where he obtained his diploma as an airplane mechanic in September of that year. Transferred to Goodfellow Field at San Angelo, he applied for and was admitted as a flying cadet. He first trained at Muskogee, Oklahoma and was later at the Enid Field in the same state. He became a cadet in February 1942, and on September 19, went to MacDill Field at Tampa, Florida, where the B-26 is flown. When he became a cadet he was a Staff Sergeant. Lieut. Caldwell was commissioned from MacDill Field.

Lieut. Caldwell has been in England about 3 months. His parents received a letter from him about 10 days ago written from his base in England and dated August 6.

In The War Zone

AUGUST G. KUNZ, JR.

The war zones and the sea lanes are not strange to August G. Kunz, Jr., for he has seen much active war duty since he enlisted in the United States Navy, following in the footsteps of his father, August G. Kunz, Sr., who was in the navy in World War No. 1.

August G. Kunz, Jr., graduated from Yoe High School in the class of 1938. He was a member of the band. He volunteered for naval service in May 1942, and is now on the USS Philadelphia.

His duty as a navy man has taken him to the North Atlantic and North Africa. His ship may have been in the action which resulted from the landing of the great expeditionary forces in North Africa. He is in the fire control service aboard his ship and making the navy a first rate fighting man.

He is the son of Mr. and Mrs. August G. Kunz, Sr., of Cameron and a brother of Charlie M. Kunz, also in the navy.

Want to buy or sell something? 282.

Missing In Action

LIEUT. WILMA T. CALDWELL

HOPE SEEN AS PICKERS REACH LOCAL FARMS

Hope was mounting here Tuesday as results began to be seen in the annual effort to get pickers into the cotton fields.

A check up at noon Tuesday by the Herald disclosed that about 150 pickers arrived here Sunday and more have come in since that date.

Much credit is due Henry A. Clark, representative of the Federal Employment bureau under the Manpower Commission in Washington.

Mr. Clark was in Milam county last year. The difficult problem of handling a labor situation is apparent. Generally it was felt that the influx of pickers would increase as crops were gathered south of Milam.

Mr. Clark hopes to have ten thousand pickers in the county when the crop peak is reached, though this figure seemed more a desire than practical to achieve. Labor cannot be controlled but inducements can be made by supplying information about crop conditions and pickers like to go where crops are good.

The Chamber of Commerce in Cameron is lending its assistance in the matter and has accepted the aid of Mr. Chamberlain. Farmers are requested to register their needs with the Chamber of Commerce and as pickers are available they will be given directions on how to reach the farms. Every effort is being made to see that living conditions are good for pickers and the current pay is making cotton picking very attractive.

WORK OR BE VAGGED IS ORDER OF MARSHAL

Able bodied men who will not work are heading for vagrancy charges, said City Marshal Dan Lunsford Tuesday, requesting the Herald to carry an announcement of his intention to force as far as possible men to work.

The acute labor shortage has created a serious situation here. Mr. Lunsford said he would begin at once to redouble his efforts to help out the situation by enforcing the law against vagrancy.

Men who loiter about the streets and who are able to work are slackers in this hour of great national need, said the Marshal. So it is get a job or be arrested for vagrancy.

Efforts here along these lines have resulted in considerable increase in labor, especially among the negro population. The edict issued Tuesday applies to white as well as black.

Under present conditions men and women who can work and do not seek employment, bring serious consequences to the war effort. If the men we send away to fight cannot depend on the people at home to do the job there is little sense in making the sacrifice and certainly the war effort is impeded when anyone declines to work at home.

5114 Bales Cotton Received Compress

At noon Monday the Cameron Compress Company reported they had received 5114 bales of new cotton at the warves of the compress thus far.

This figure is far ahead of the figures for the same period last year and indicates a swift movement of the crop plus a much higher production for the county.

\$300,000 DAMAGE IN TWO DISASTERS SUNDAY

In a combination disaster Sunday fire and tornado struck Rockdale to wipe out an entire business block and wreck the imposing gymnasium at the high school and heavily damage a number of residences.

The fire which spread quickly from an unknown origin totally destroyed the offices of H. H. Coffield, oil man and capitalist and the storage and feed manufacturing business of the Bredt & Haley company, largest Central Texas operators.

The building involved in the fire loss was owned by H. H. Coffield and covered an entire block. The loss was said to have been about \$200,000.

At 6 p. m. out of a clear sky a tornado dipped to earth to take the roof off the gymnasium at the High School, damage another building on the campus and send timbers flying to nearby homes with resulting great damage.

No one was injured in the fire or by the cyclone which came out of a burning sky that sent temperatures to 106.

The fire which destroyed the Coffield block occurred around 2 a. m. It was estimated here Monday morning that destroyed in the Bredt & Haley fire were eggs on storage for the government and valued at approximately \$50,000. An employee for the storage plant was at work at the time of the fire and the business was open.

Mr. Coffield, rich oil man and widely known Texas capitalist, arrived home from a Tyler hospital while the fire was in progress. He had been under treatment in Tyler for several days. His losses will be much higher than preliminary estimates. All records in his office were destroyed together with furnishings in what is said to have been one of the most complete and luxuriously furnished offices in Texas.

When the tornado struck the school gymnasium the roof was torn from the building and a portion of the walls crumbled. Timbers were driven through homes across the street from the campus. An automobile in the Lonnie Harris garage was riddled by timbers.

A thunder cloud brought a small shower of rain to Cameron. Firemen from Cameron and Taylor went to Rockdale and aided the local fire department in restricting the flames to the block. In appreciation the Fire Department in Rockdale prepared and served breakfast to the visiting firemen.

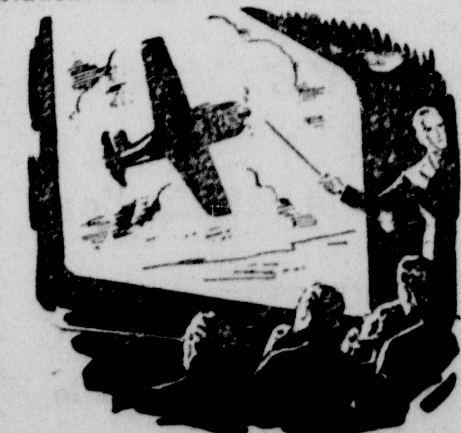

J. M. Boehner, chairman of the Red Cross in Milam county, received a telephone call from St. Louis. A report overestimating the damage had been received at Red Cross Headquarters and the organization went into action at once to bring relief. Fortunately none was needed.

Miss Maurine Hollas who is now employed at Temple National Bank in Temple, spent the week end with her parents, Mr. and Mrs. Joe Hollas at Buckholts.

What You Buy With WAR BONDS

School Days

When our fighters fly at 400 miles an hour with a Jap Zero or a Messerschmidt on their tails there isn't much time for cogitation so the Army and the Navy show as many motion pictures of actual dog fights and air battles as possible to our student fliers.

Pictures of trainer flights, bombing flights and flights by fighters are all a part of the routine for our student pilots and must be drilled into them just as it is necessary for us to remind ourselves daily of the necessity to buy an extra \$100 bond in September. U. S. Treasury Department

In The Navy

CHAS. W. KUNZ
Second Class Machinist

Chas. W. Kunz, Second Class Machinist, enlisted in the navy in March 1942. He was assigned to the Fleet Destroyer Service and on completing his courses was the honor man in a class of 98 members having a 62 average for internal combustion engine operators.

When he entered the service he expressed preference for the navy and was sent to San Diego, Calif., receiving his boot training there. He graduated from school in the navy in 8 weeks.

He graduated from Yoe High School in 1940, played football at end position. He is volunteer in the navy and since he began his active fleet duty has seen action on a number of fronts.

When the invasion came in North Africa in November he was with the fleet. His ship is attached to the Atlantic fleet. His ship has no doubt seen much action in the Mediterranean.

August Kunz, a brother is chief machinist mate and is also in the navy.

CONGRESSMAN POAGE TO VISIT BUCKHOLTS

In an effort to make it possible for every citizen of the Eleventh Congressional District to discuss any particular problem that he has to take up with the Congressman's Office, Mr. Poage has arranged an itinerary which will involve a weeks time over the District.

He will be glad to meet any citizen who has any problem concerning which his office can be of help.

Mr. Poage will be at the Postoffice at Buckholts, Thursday, Sept. 2, at 5 o'clock p. m. As his schedule is a full one, and time very limited at each stop, it will be very helpful if citizens who have business will prepare a written memorandum to leave with him for his guidance when he gets back to his Washington Office.

Baby Possum Comes To Town; Takes Up Quarters at Cafe

A baby possum took up residence at the City Cafe sometime during the night.

Early Tuesday morning when employees arrived to clean up before the business of the day began, the young possum was found beneath some high boards back of the bar.

If you want a possum, a young one, you can see Ben Kennon or August Guzman at the cafe.

The possum has not been named as yet. He is being housed in a shoe box and seems quite at home.

GLADYS JOYCE MAREK BURIED AT BUCKHOLTS

Funeral services for Gladys Joyce Marek were held Sunday afternoon, August 29, 1943, at Buckholts with Rev. A. E. Flathmann, Pastor of the Hope Lutheran Church, conducting. The Marek-Burns Funeral Home directed arrangements.

Gladys Joyce was born on August 12, 1943. She died in Cameron Hospital at 7 o'clock Sunday morning August 29, 1943. She lived to bless the home of her parents only a few days.

Surviving are the parents, Mr. and Mrs. Ladis Marek of Marlow.

L. C. Boyd of Silver City Community, was in Cameron Monday on business.

FOOTBALL INAUGURATED HERE SEPTEMBER 1ST

Coach Dick Young got out his 1943 hopefuls Wednesday in the initial workout of the 1943 football season and thus has inaugurated the season.

Only 5 lettermen are back this year. The ranks of the 1942 team have been depleted somewhat by graduation and some have gone to the armed services as volunteers.

When the fall practice began Wednesday Coach Young had 36 men on the field. Frank Torno, sensational back from the 1942 team is back in uniform. He is an air corps cadet reserve and hopes to be called when he is 18.

Coach Young while looking a bit mournful over the loss of some fine material from the spring practice period, was rather hopeful about some country boys who are to come in and play. On the whole the prospects are pretty fair.

"We have a bunch of fine boys who want to play football," said Coach Young, "and we hope to have a good team this season."

Football is good in proportion to material in uniform but the matter of community backing and encouragement is vital. The 1943 Yoemen will have that backing from the community.

The first game of the season will be played on September 16 in Cameron against McGregor.

THIRD WAR LOAN TO BE LAUNCHED MONDAY

Milam county's third War Loan will be launched Monday night at a dinner for workers at Cato's Cafe, it was announced Thursday by Chas. M. Hicks, county chairman.

The organization plan will be along the same lines as heretofore with leaders from all communities taking their share of the responsibility and arranging for the canvas of bond buyers.

Milam county led the nation in May in the oversubscription of its quota. As a result the quota for September will be in excess of 5 million dollars, it was understood.

The May quota was over a million but some 7 million in bonds were sold. If banks and large investors are interested in the September loan as they were in May the county should contribute well to the sale of Bonds.

Individual purchases should be larger due to crop harvest money.

August Hot Month Records Here Show

August was a record heat month for the year and may have just about beat all previous such months.

Richard Hester, local observer for the government, said that high temperatures prevailed throughout the month. Saturday, August 28 the temperature was 102; Sunday 103 and Monday 96.

Two days in August the thermometer registered 103 degrees. Only .36 inches of rain fell in August.

Rainfall Light But Cools Parched Earth

Rainfall shortly after noon Wednesday had the effect of cooling the parched earth but was harmful to cotton.

Indications were that the fall was heavy southwest of the city and east. The fall was light in Cameron but weather indications were that the drought might be broken shortly.

Vegetation is hard hit and in some places trees and shrubs are dead from the most devastating heat of the year in August.

THANKS

I wish to express my appreciation to the fire boys who answered my call twice in one day. I am indeed grateful. Your presence made me feel safe and secure from our most hated and dangerous enemy—fire. I take this opportunity to thank you all.

Mrs. Womack Brashear.

Mrs. James Potter, formerly Miss Mary Jane Lowe, is now living in Asbury Park, New Jersey. Cpl. James Potter, formerly of Camp Hood is at Fort Banning, Ga., where he has been transferred to the paratroops. Mrs. Potter plans to do some newspaper work while living in Asbury Park.

MILANO NEWS FROM

The vacation bible school has come to a close at Milano Baptist church. There was a good attendance while it was in progress and good was accomplished.

Mrs. Dan Robinson had a serious accident Tuesday while breaking ice by running the ice pick through her hand. Although it was painful, it did not give her so much trouble.

School bells will soon be ringing again. Milano school will start Monday September 6. Some of the teachers have resigned, but they have a complete faculty now.

Mrs. Charles Miller and daughter have returned to their home in Houston after a visit here with her mother, Mrs. Ida Howes.

Mrs. Aron Washington and Mrs. Charles Washington of Houston have returned home after a visit here with Mrs. Ida Howes.

Mr. and Mrs. Sam Swartz of Houston are spending their vacation with their parents, Mr. and Mrs. Charlie Brannon.

Mrs. Martha Baggett and daughter, Mrs. W. W. Porter left Tuesday for a visit with relatives in Dallas.

Mr. and Mrs. Ace McGregor former Milano citizen, but now of Bryan are here for a few days visiting friends and looking after business interests.

Mrs. Diver Blackman and two children are moving to Milano. We are glad to welcome them here.

Mrs. Mary Mullins spent the week end in Caldwell visiting with friends.

Mrs. Dan Robinson has returned home after a two weeks visit with her daughters Mrs. A. M. Moore and Mrs. Howard Manley in Temple.

Mrs. Ida Howes and Mr. and Mrs. Leslie Vanover spent the week end in Palestine visiting Mr. and Mrs. Ben Vanover.

Mrs. Al Johnston and son Allen have returned home from a 3 weeks visit with relatives in Houston.

Guests in the home of Mr. and Mrs. G. W. Hilliard for the week have been her sisters, Miss Ruby Mullins of California and Mrs. Bullock and daughter Jane of Dallas. They returned to their homes Sunday.

Mr. and Mrs. Wallace Pierce and two children of Lexington are here for a vacation visit with his parents, Mr. and Mrs. M. J. Pierce.

Mrs. Sam Taylor, Sr., has gone to California for a visit with her daughter Mary Lee. She will stay two weeks or more.

Mrs. W. E. Thomas has gone to Houston and Freeport to visit with her children for a few days.

Mrs. Mary Peoples is still in Houston where she has been several weeks, helping nurse a grand son who has infantile paralysis.

Miss Julia Lunsford has returned to her home in Cameron after a visit here with her friend, Mrs. John Myrick.

Mr. Hodge was here Sunday from Kemp looking after business and visiting his friend W. E. Thomas.

Mrs. J. W. Willingham has a badly burned hand caused from getting it burned with hot grease and it is badly infected.

Miss Patsy Brown of Taylor is here for a visit with her aunt, Mrs. J. A. Williams.

J. B. Layne of Chicago is home here with his parents for a visit before entering the army.

Greetings from Mrs. G. Lane who is visiting her daughter in Chicago. She likes it very much and is enjoying her visit.

The happiest little girl in town Friday afternoon was Barbara Ann Sloan when her mother invited several of her little playmates over to help her celebrate her 5th birthday in the home of Mrs. John Myrick. They played different kind of games, then came the enjoyment part for Barbara Ann when it came to opening the gifts. She was thrilled over each package. She received some beautiful and expensive gifts. She had a big white cake with 5 candles on it. They served punch and cookies before they left. They all wished her many happy birthdays.

AIR BATTLES RAGE ON WAR FRONTS

With the battle of Sicily over the war was in the air all over the world.

Greater air fighting over the Russian front had taken a heavy toll on both sides. The Reds claimed they had shot down 91 Nazi planes and the Nazi claimed they had destroyed 81 Russian planes.

The air attacks in Germany and occupied Europe continued without abatement. Day and night bombers and fighters of the 8th American Air force based in England and the RAF kept up the fight.

The allies took two small islands north of Sicily early Thursday. The islands surrendered to the American navy after units of the fleet had shelled the islands.

Blasting of the Italian mainland was continuing.

Berlin was bombed again Thursday night.

Secretary of State Cordell Hull has arrived in Quebec for conferences now going on between the British and Americans.

Despite the hush over speculation there was still belief that big Military events are in the making. The staffs at work in Washington are said to have already selected a general to lead the invasion of Europe.

Regular meeting of the OES was held Tuesday evening at the Masonic Hall with Mrs. Brock, worthy matron presiding. Annual observance of the birth of Robert Morris, organizer of the OES Chapter, was observed at the meeting.

L. S. Svetlik of Buckholts was in Cameron Saturday.

NOTICE

To any Bank, Banker, Individual, Firm or Corporation

The City of Cameron, Texas will receive bids at its next regular meeting on September 7th, 1943 at 8:30 o'clock p. m. for city depository of all city funds. A good and sufficient bond in the sum of \$50,000 must be furnished by the successful bidder. The city reserves the right to reject any and all bids. Meeting place Cameron State Bank building.

DAN TYSON,
City Secretary-Treasurer
Cameron, Texas.

Cpl. Krupicka is being sent out of the State. He enjoys reading the Cameron Herald each week.

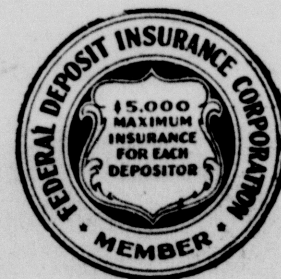

Mr. and Mrs. Sherman Jones of Alva, Oklahoma, are visiting Mrs. Jones' mother, Mrs. Allen Collins for a few days.

the Harvest is on

Now comes the important season of harvest
and marketing your cotton and other crops.

V Mail

When a soldier or a sailor is low in spirits there is nothing that will cheer him up as much as a letter from home, so the War and Navy Departments have devised a method for getting "the word" to its fighting men with the greatest dispatch. This is the microfilm method of transmitting letters, known to all of us as V-mail.

Any news from home is bound to please our soldiers and our sailors but the news they want to have most is the news from our production front and news that we are winning our fight against inflation by our savings and investment in War Bonds. U. S. Treasury Department

Hull Gets Hot and Says Drew Pearson Liar; FDR Stirred

Drew Pearson, noted behind the scenes commentator, stands a little less high at the State Department today.

Secretary of State Hull says Mr. Pearson is a liar. Earlier in the operations along the deferment front in Washington President Roosevelt thought enough of the Pearson statement to accuse the newspaperman of almost everything, including treason.

Mr. Pearson charges that Roosevelt and Churchill never have had any intention of invading Europe from the west; that the two countries are slacking on the job and letting Soviet Russia do the bleeding.

The statement caused a general letting down of hair in Washington. Mr. Pearson may not be right but the American people are getting damn tired of these conferences that produce nothing but baked turkey.

What Mr. Pearson said was no doubt indiscreet but may have the result of clearing the way for others who are not pleased with the way the war is going.

London papers were most critical of the Churchill speech. They say it "lacked something." Other papers expressed their displeasure. In this country some of the papers were growing more critical.

Peace. It is a bit late but his influence is very great and Italy may yet be saved. Thus far Rome has suffered little though within easy range of bombers.

Comedy Musical On Cameron Screen

In the comedy-musical "Honeymoon Lodge," Harriet Hilliard becomes involved in an attempt by a young couple to re-enact their meeting, courtship, marriage and honeymoon.

Speaking of honeymoons, Harriet says that one was all she craved when she married Ozzie Nelson. But more than three years elapsed before the Nelsons got around to taking their first one.

Harriet and Ozzie appear together in Universal's "Honeymoon Lodge," which comes today to the Cameron Theatre. David Bruce, June Vincent, Rod Cameron, Franklin Pangborn and other notables are in the cast.

The circumstances surrounding their early marriage were accounted slightly unfortunate, Miss Hilliard told her studio friends during production of the new picture. The ceremony was performed at the home of Ozzie's mother in Hackensack, N. J. But the bride groom's band was opening the following night at a New York City hotel, so the bride and Ozzie attended a movie at Loew's State Theatre the night of their marriage.

Three days later Harriet had to leave for Hollywood.

Finally, when the opportunity presented for a Bermuda honeymoon, the doctor said no, because Harriet was expecting little David Ozzie.

Two more years passed and the Nelsons got a break. They took their baby with them on a ten-day honeymoon in Florida.

Visiting in the home of Mr. and Mrs. M. E. Weems on Sunday were: Mrs. Jake Dodson, her daughter Aileen, and her two children.

Mrs. James Fikes of Louisiana is visiting friends and relatives in Cameron. Before her marriage she was Miss Inez Hatch of Cameron.

Randolph Williamson of Galveston, visited his wife and family the past week.

NEW BASE IS THREAT TO JAPS MAINLAND

The Marcus Islands, some thousand miles from the mainland of Japan, are under attack by combined air and naval forces of the United States.

Announcement of the attack first came from Tokyo. Later Washington confirmed the report. At noon the capital had expanded the statement by saying that the battle is still in progress and was scheduled to begin on September 1.

In Japan the government warned the people that the United States is striking back and striking hard and that the attack on the Marcus Islands means that American forces are within 1000 miles of the homeland of the Japs.

The operation was believed to be a full fledged attack. Aircraft carriers and strong naval units are involved in the fight. If the Island falls American naval units and the air crops will obtain an important

base for operations.

The attack in the Pacific came at a time when the Axis was being rolled back on the bloody Russian front. The Red army is advancing along a 700 mile front and Smolensk is now threatened.

Allied bombing planes seared the toe of the Italian boot amid claims that one Commando raid had been thrown back by the Italians. Naval ships were also blasting and bombing the Italian coast and there was belief an invasion might be near.

Berlin was said left in flames by another giant attack by RAF bombers. The British lost 48 bombers and the Air Command in London, usually very conservative said that the raid was one of the heaviest and very great losses were inflicted on the German capital.

Mrs. W. B. Skinner of Rogers, was a Sunday guest in the home of her brother, Joe Denson and family, and was accompanied home by Miss Marjorie Denson for a visit before the opening of school here.

Taxicab Ordinance is Enacted Here; Seeks To Provide Saffety

The City of Cameron has enacted a Taxicab Ordinance designed to regulate the operation of such vehicles for the first time within the city.

The ordinance, drawn by Roy Baskin, City Attorney, is one of the most lengthy on record, its publication requiring approximately a page in the current issue of the Weekly Herald.

The ordinance requires certain conditions to be met before a taxi can be operated and goes to great length to regulate and define what shall constitute a legal taxi service in the city.

One of the objectives is to provide safety and establish responsible taxicab service. The demand for the ordinance came as a result of the increased taxi traffic here made possible by week end soldier guests and tire and gas shortage to individuals.

C. W. Bradbury of Houston, spent the week end here with his wife and family.

Card Comes Through From Jap Prison Camp From W. E. Eichenhorst

The first such card to reach Cameron, so far as known, came through last week. It is a form card from a Japanese prison camp and the card was signed by W. E. Eichenhorst, now a prisoner.

The card was brought to The Herald by his sister, Mrs. Paley Wink of Hearne.

Eichenhorst, a Warrant Officer with the Army, was in the Philippines when the Japs attacked. The card was sent to his wife at Del Rio and thence to Hearne and Cameron.

The following information appears on the card: 1 I am interned in the Philippine Military Prison Camp No. 1. 2 My health is fair; 3 I am un-

injured; 4 I am improving; 5 please see that 'Pop' is taken care of. 6 (Re Family) My fondest thoughts to all. 7 Please give my best regards to sis. F. H. Eichenhorst of Cameron is the father and Mrs. Wink the only other child of the family.

It was the first message received which bore his handwriting. Mr. and Mrs. Eichenhorst were married in Del Rio while Eichenhorst was stationed at Fort Clark. At present Mrs. Eichenhorst is in a hospital in Del Rio.

Mrs. Arvis Turner made a visit to the home of her son, Lester Turner in Cameron and enjoyed his birthday dinner. The occasion was an enjoyable one and brought together many friends and relatives. Mrs. Turner has returned to her home in Calvert.

Mr. and Mrs. Buster Boyd and daughter, Mary of Houston, are here visiting her father and mother, Mr. and Mrs. John Bundt at Walkers Creek and in the home of Mr. and Mrs. Ben Kennon.

Johnny Moran and daughter, Miss Peggy Moran of Vernon, and Charles Moran of Hollister, Oklahoma, are in Cameron Wednesday to visit with their brother, William Moran. They plan to return to their homes late this week. They have not visited here in some time. Drouth conditions at their homes is acute as it is in Texas.

L. S. Cunningham of Gause was in Cameron Monday on business. He is a large planter and stockman and prominent in that community.

WARNING

It is a violation of the law to swim or bathe at or near the point where a public water supply is secured. We also wish to remind the public that such action is a violation of all the standards of public health.

Therefore, in order to maintain good health in Cameron and Milam County we strongly urge prosecution of any person found swimming in the posted area on Little River around the pumping station and for a distance of one mile up-stream.

Signed:

Dr. W. R. NEWTON,
County Health Officer

DR. T. E. CRUMP, Director,
Milam-Robertson County Health Unit

RALPH MITCHELL, Sanitarian.

This notice was published in both Cameron papers last week

We are glad to cooperate with local health authorities in giving additional publicity to the above notice, which concerns a matter of importance to all citizens who are interested in helping to maintain Cameron's present high health standards.

Cameron water is scientifically treated in accordance with standards of the State Department of Health to assure its quality and purity. Strict observance of the law in the posted area above our intake on the Little River serves as a further safeguard and we know we can count on the cooperation of the public in this regard.

No More Brass

On land or at sea our fighting men do their many chores by the sound of a bugle. All sorts of complimentary epithets are used to designate the bugler, but nobody has yet been able to provide a satisfactory substitute for a bugle although recordings are used at some permanent bases.

Aboard ship the men fall in at the order of "Pipe muster." On land the bugler sounds "Assembly!" But no matter where the bugle is used thousands must be bought out of the money we are investing in War Bonds. Back the attack with an extra \$100 Bond in the 3rd War Loan.

U. S. Treasury Department

Many friends of Mrs. Raymond C. Dame of Waco, former Miss Dorothy Rudder of Cameron, regret to learn of her recent illness caused from heart attack. Mrs. Dame was brought to the home of her parents Mr. and Mrs. Wallace Rudder of Rockdale.

Comedy Musical On Cameron Screen

In the comedy-musical "Honeymoon Lodge," Harriet Hilliard becomes involved in an attempt by a young couple to re-enact their meeting, courtship, marriage and honeymoon.

Speaking of honeymoons, Harriet says that one was all she craved when she married Ozzie Nelson. But more than three years elapsed before the Nelsons got around to taking their first one.

Harriet and Ozzie appear together in Universal's "Honeymoon Lodge" which comes today to the Cameron Theatre. David Bruce, June Vincent, Rod Cameron, Franklin Pangborn and other notables are in the cast.

The circumstances surrounding their early marriage were accounted slightly unfortunate, Miss Hilliard told her studio friends during production of the new picture. The ceremony was performed at the home of Ozzie's

mother in Hackensack, N. J. But the bride groom's band was opening the following night at a New York City hotel, so the bride and Ozzie attended a movie at Loew's State Theatre the night of their marriage.

Three days later Harriet had to leave for Hollywood.

Finally, when the opportunity presented for a Bermuda honeymoon, the doctor said no, because Harriet was expecting little David Ozzie.

Two more years passed and the Nelsons got a break. They took their baby with them on a ten-day honeymoon in Florida.

G. C. McCall of Yarellton was in Cameron Tuesday on business. Mr. McCall was recently injured when a tractor overturned but is recovering nicely.

STOP! Does not mean go ahead.

Another ARTERY to the HEART of VICTORY

All of us owe a vote of thanks to the men who are building the great pipelines that will carry oil for the engines of victory. Already oil is surging through one of these, the world's longest pipeline, built in record time and through every kind of obstacle . . . to help us hasten the day of final victory.

When others are completed, they'll facilitate transportation of this liquid gold wherever needed through arteries to the heart of Victory.

Booby Trap Detector

In the snow, in the sand, on the beaches, on the roads, in the woods, everywhere the Axis soldiers hide "booby traps," to slow the movement of oncoming fighting men of the United Nations. The detector does the same work on land as the mine sweeper does at sea.

Like buying War Bonds, the soldier operating the detectors will never know just how much they have aided in the success of their campaign, but he knows his work is necessary and must be accomplished. If more Americans on the home front will come to realize this, the success of our War Bond campaigns will be assured.

Worship, Sermon, Communion at 11:00.

Evening Church hour at 8:30.

Last Sunday, Rev. C. B. Orahoad, pastor, summarized the resources of the church, as encouragement in fighting the spiritual front of the war. He used the first three chapters of Revelation as a guide.

He said, summarizing: "Financial resources are necessary if the church does what it needs to do against the highly financed interests that oppose it. But the vital resources of the church are faithfulness to the name of its founder, Jesus Christ; devotion to his word; endurance in patient labor for his purposes; conservation of spiritual strength,

even when poverty and tribulation come; the proving of false apostles; recognition of those who have kept their lives undefiled; intolerance of evil; and above all, faith in the living spirit of Christ, who said, 'I will go with you to the end of the world.'"

Have a "Coke" = Cead Mile Failte

(A HUNDRED THOUSAND WELCOMES)

...or how Americans make friends in Ireland

Cead Mile Failte—a hundred thousand welcomes—says the kindly Irishman when he meets a stranger. The American soldier says it another way. Have a "Coke", says he, and in three words he has said Greetings, pal. It's a phrase that works as well in Belfast as in Boston. Around the globe Coca-Cola stands for the pause that refreshes—has become the high-sign between friendly-minded people.

BOTTLED UNDER AUTHORITY OF THE COCA-COLA COMPANY BY
COCA-COLA BOTTLING COMPANY, Cameron

Coca-Cola

—the global high-sign

CHURCHILL SPEAKS AS NATION TIRES OF TALK

Winston Churchill, the British Prime Minister, delivered his expected address Tuesday from Washington.

The speech was for the major part a recital of what has gone before. The American people are tired of Mr. Churchill and Mr. Roosevelt and of speeches.

The Churchill address was not heard by the American people because they are seriously affected by the delay in attacking Germany by invading Europe from the west. The man on the street is slightly overcrowded with promises and the continued delay by the Allies may be the best thing the Axis could wish for as it never fails to produce disgust and war weariness.

The war was as remote as was the Churchill speech. It was as if no shots were being fired. The Germans are retreating and the Soviets are celebrating the fall of Bryansk below Somlensk.

Within a few weeks it is possible the Allies may strike at Italy and thus begin on invasion of the continent. The Germans were broadcasting that the invasion of Italy was at hand.

CHRISTMAS MAILING INFORMATION GIVEN

Christmas parcels and Christmas cards for members of the United States Army outside the continental United States should be mailed during the period beginning September 15 and ending October 15, 1943. Christmas cards to personnel in the United States Navy, Marines and Coast Guard should be mailed during the periods beginning September 15 and ending November 1, 1943. Each parcel should be endorsed "Christmas Parcel." It is wise to mail both parcels and cards as early during these periods as possible.

The limits and size and weight for Christmas parcels are as follows:

Maximum weight, 5 pounds; maximum length, 15 inches; combined length and girth, 36 inches.

No perishables will be accepted. Intoxicants, matches and lighter fluids also are not permissible.

Inasmuch as the service men are provided with food and clothing the following items are suggested as appropriate:

Toilet articles such as soaps, razor blades, lotions and small pocket size military cases, stationery, books, tobacco and hard candy. Money should be sent in the form of postal money orders, with post office through which the orders are to be routed shown as the paying office.

Galaxy of Stars Excel in Tuneful "Cabin in the Sky"

Boasting a galaxy of stars, M-G-M's film version of the famed Broadway musical, "Cabin in the Sky" comes to the screen of the Cameron Theatre Saturday.

Saturday at the Milam Theatre a special showing of "Cabin in the Sky" will be held for negro patrons of the show. The performance will open at 11:30 p. m.

Once again scoring in the role she created on the New York stage, Ethel Waters, as the faithful and loving Petunia, struggles to save the soul of her well-meaning but weak willed husband, Little Joe, played by Eddie (Rochester) Anderson. Kenneth Spencer, noted concert singer, portrays a "General" of the force of good who battles for her against the forces of evil represented by Lucifer, Jr., Rex Ingram.

Lucifer tries to achieve Little Joe's downfall by throwing temptation in his part in the person of glamorous Lena Horne, newest Hollywood singing sensation. But Petunia's love and faith is stronger, and, with the aid of forces of good, Little Joe is saved.

Litling Melodies
You'll like Ethel Waters as she sings the litling tunes, "Happiness Is Just a Thing Called Joe," "Cabin in the Sky" and "Taking a Chance on Love." Lena Horne thrills when she sings "Honey in the Honeycomb." Rochester and Miss Horne sing the mirthful "Consequences" in duet.

Others in the cast are Louis Armstrong of the hot trumpet, the comedy teams of Moke and Poke and Buck and Bubbles.

Vincente Minnelli's deft direction brings out its simple charm and Producer Arthur Freed has provided elaborate costumes and settings.

Misses Dorothy Richter, Loretta Polansky, Irene O'Neill, Mrs. Jack Stidham, Mrs. B. M. McGlothlin, composed a party to attend the show made at A & M College entitled "We've Never Been Licked," at Temple Friday night.

CLARKSON HOME DEMONSTRATION NEWS

The Clarkson Home Demonstration Club met in the home of Mrs. Gene Burnett, August 19th, at 3 p. m. There were nine members and one visitor present. House was called to order by the president and business attended to. Part of this was sending in suggestions for next years work and how to make second programs more interesting. The club's suggestion for that was let each hostess give some kind of demonstration of her own at each second meeting.

The meeting was then turned over to our program chairman, who took charge of a clip program in which all the members had a part, and many good ideas, hints and recipes were exchanged.

The hostess then served refreshments of ice tea, sandwiches and cookies.

The next meeting will be with Mrs.

Henry Lindsey, September 9, the program being on re-upholstering. We repair any make or model radio. Parma Radio Service.

WARNING

It is a violation of the law to swim or bathe at or near the point where a public water supply is secured. We also wish to remind the public that such action is a violation of all the standards of public health.

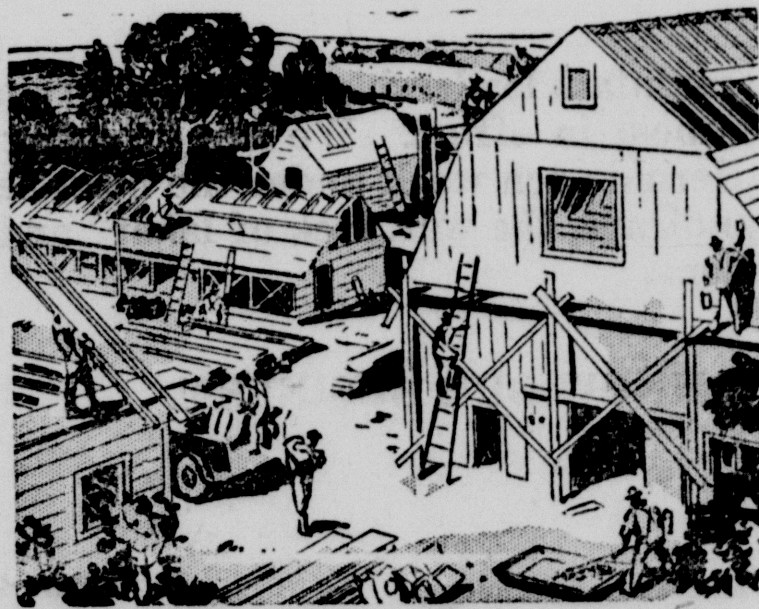

Therefore, in order to maintain good health in Cameron and Milam County we strongly urge prosecution of any person found swimming in the posted area on Little River around the pumping station and for a distance of one mile up-stream.

Signed:

Dr. W. R. NEWTON,
County Health Officer

DR. T. E. CRUMP, Director,
Milam-Robertson County Health Unit

RALPH MITCHELL, Sanitarian.

If It's Available

... We Have It!

We've just been checking up, and find ourselves all set to give farmers better building, roofing and lumber service than most of them suspect from all the talk that's going around. Next time you're in town, drop in. We'll show you how to start Spring off with the cheerful sound of saws and hammers in preparation for the greatest food production year at the most profitable prices you've ever seen. Free estimates cheerfully given at all times.

Repair in time for work ahead!
and avoid costly trouble later!

3rd WAR LOAN
Buy More Bonds

We're backing the attack with **POWER**

ELECTRIC POWER is providing the driving force for keeping the mightiest war production program in history humming. This Company is supplying adequate, dependable electric-power service to numerous air-force training schools, army training camps, and war industries. It has promptly met the emergency needs for additional power for the war program in the 52-county area it serves and has helped other companies and government agencies meet critical power needs for the war program in adjoining areas.

This achievement did not just happen... it is the result of 31 years of planning and building ahead... the result of 31 years of operation under the system of free enterprise which has made America the Arsenal of Democracy.

We are "backing the attack" in other ways, too. TP&L employees are loyally keeping electric power always on the job... they are buying War Bonds regularly every pay day, helping sell War Bonds to the public, and participating in the many civilian defense activities on the home front... while more than 300 of their fellow employees are serving in the armed forces—fighting all over the world, on land, on sea and in the air.

Listen every Tuesday night, 8:30 o'clock...

BIRTHDAY CELEBRATION

Mrs. Jane Sapp celebrated her 78th birthday Sunday with a big dinner at the Wilson-Ledbetter Park with all her children present. They are Mrs. Jim Gaines of Minerva, Delbert Sapp of Rosebud, Mrs. John Pevhouse of Maysfield and Arvel Sapp of Cameron. She has 27 grand children. Only 19 were present. Her grand children present were: Mrs. Hobert Rackley of Calif., Mrs. Earl Adams of Cameron, Lonnie Gaines in the army at Calif., James and Melvin Sapp of Rosebud, Mrs. Johnnie Yates of New York, and W. J. Sapp of the United States Navy. She had a number of great grand children. Only three were present Ima Jean Crawford, Betty Jane and Claudie Sanders of Cameron, a nephew Mr. and Mrs. J. B. Sapp and family. Freddie Hefty and G. W. Templin of Maysfield were visitors. The day was enjoyed by all.

Wade H. Boggs, a former teacher in Cameron many years ago, visited with old time friends here for a short while last week, enroute to Shreveport, La.

Post greeting from Cpl. Hollis Erwin and wife, tell of their trip to Phoenix, Arizona, where they will spend his furlough visiting his parents. Mrs. Erwin formerly was Miss Lucille Butts, daughter of Mrs. N. H. Butts.

Jim McGoldrick, city policeman, reported things quiet over the week end with only a few arrests made. Mr. McGoldrick will leave Cameron with in a day or two to take magazines to the wounded soldiers at McClosky Hospital.

W. L. Hause, formerly of Cameron, now of La., has been visiting with his relatives here for the week end.

Mrs. Owen Staner of Rogers visited Mrs. Johnny Ethridge at the Newton Memorial Hospital Wednesday.

Representative A. N. Green has returned from a business trip to Austin. Prospects for a special session now seem remote, he says and unless absolutely necessary no session should be called.

Mrs. Wm. W. Harvey, the former Miss Nancy Newton, is here on a visit with her mother, Mrs. W. R. Newton, Sr., and brother, Dr. W. R. Newton, Jr. She plans to return to her home in Lakeland, Fla., Friday. Lieut. Wm. W. Harvey, her husband, is in the air corps at Lakeland.

Miss Imogene Hollingsworth of Maysfield, was week end guest in the home of her aunt, Mrs. Nat Butts.

Theo Locklin, well known stockman, of Thorndale was a Cameron visitor Tuesday.

World News

Our readers find in the columns of The Herald, world news, written so as to bring in the briefest sort of way the facts as they unfold from day to day on the battle fronts of this global war.

No other Cameron newspaper brings this service to its readers. The plus and the difference is further emphasized when you see from week to week the photos of your boy and your neighbor's boy. This service is brought to you without expense to anyone save the publishers.

The Herald prints the dargest volume of local news of any Cameron or Milam county newspaper. From day to day the Daily Herald makes these news stories possible for they all find their way into the weekly.

These are some of the reasons why The Herald has the largest circulation of any Cameron or Milam county newspaper.

To maintain leadership in any field requires the utmost in effort. We are bringing you The Herald each week under the most severe of handicaps, the war, lack of labor and restrictions.

WE KNOW OUR BUSINESS!
